**A Prayer for the Season of Pentecost**

**There is no plant in the ground,  
But tells of your beauty, O Christ.  
There is no creature on the earth  
There is no life in the sea  
But proclaims your goodness.  
There is no bird on the wing  
There is no star in the sky  
There is nothing beneath the sun  
But is full of your blessing.  
Lighten my understanding  
of your presence all around, O Christ  
Kindle my will**

**to be caring for Creation.**

Dear Members and Friends of FCOA,

On Sunday, May 8 our children and the congregation welcomed our new Christian Education Director, Bema Yusupova, and what a marvelous Sunday it was! The children knew it was a special day because it was Mother's Day,

because Bema and her daughter Naomi were joining us for the first time, and because, as we learned together that morning, every Sunday is a little Easter--every Sunday the life, death, and new life of Jesus Christ through the power of the Holy Spirit is with us again--calling us ever into the future, into new and wonderful opportunities to grow, all of us, in the knowledge and love of God!

The future is bright with the new energies Bema, our children, and each of you bring as we get excited about what's ahead at FCOA. As we welcome Bema, let us intentionally reach out to each other and learn something new about the person you have perhaps sat next to in worship for years! As Pentecost comes--and the gift of the Holy Spirit is given anew, let us start dreaming again about what God calls us too now!

I have asked Bema to share a little about herself and you will find her autobiographical piece below. Please continue to welcome her and our children back to church!

Joy to you!

Katie

Hello, Dearest Brothers, Sisters, and Friends,

I am honored to be part of this welcoming and loving community. My name is Bema. I am a mother to a two-year-old girl. Her name is Naomi. I am back to this church after two years from our last visit with Naomi on Christmas Eve of 2020. I believe it is a very amazing experience as if we were called back to complete some sort of mission. All I remember from that day is that it was a cold, unusually quiet year as we were at the peak of the pandemic. Like many of us during that hard and isolated year, we felt so lonely that we decided to walk over to the church to see if we could see a service. Naomi and I walked in together and saw pastor Katie, live music, and a few church staff members. It was warm inside despite the door being left open, and bright with lights of candles and the beautiful sound of music. I sat in front of the altar at peace watching how Naomi was actively walking up & down the steps. After two years we are here with You to reconnect. Back in 2020 I felt like I was missing a sense of belonging. When I stepped into this place, I felt this community could give me the love and sense of belonging that I was longing for.

I am from Kyrgyzstan, a former Soviet Republic. I grew up in a big and supportive family. I have received so much love, learned to value family, friendships, hard

work, and diligence. I came to the USA in 2007 in my late teenage years after a second year of college. Here I got myself through college working on many jobs, chasing my American dream, and I wanted to be part of this culture.

I moved to Massachusetts for family reasons. Currently I help run a local daycare. I am excited to get to know everyone in this community. As a mother, sister and a daycare assistant, I spend a lot of time with kids. I want to make them feel loved, understand the blessings of God, help them form friendships with their peers in the church and engage their minds through play and structured curriculum.

I am looking forward to getting to know your children. Please encourage your children to participate in Sunday School.

With warm regards,

Bema
